

*T*HIS day is dedicated to Americans who fought and died that their country might be forever free.

We cannot truly honor the "Spirit of '76" — the steadfast conviction through toil, defeat and heartbreak that no price was too great for liberty—without equally resolving in our own hearts to match our forefathers' faith now with greater efforts and sacrifices—to help create a "Spirit of '42" worthy of our heritage—a rich land where a man can speak his mind honestly, the United States of America.

Twenty-four hours a day, seven days a week, the men of Hendy—Americans all—keep the steel of victory ringing. Their efforts will not slacken.
